PERSONAL INTERESTS

Most interesting thing in my life hood is to continue to learn through researches, trainings, and make practical experiences, help others to know what I've learned, and I like to enjoy all culture, handcrafts and Arts: I like singing worship and praises contemporary music, sports and outdoor activities, learning playing instruments, trainings workshops on Leadership, running concerts, Playing piano, guitar, songs writing, drama and news latter. Currently I am a Christian in LIFE CENTRE CHURCH, singer in the church and the Ministry of WORSHIP and Praise: SHEMEZA MUSIC and serve as a Leader of other young people in the community. I also like cross-country travelling for the purposes and experience different cultures. I practised in running sports led by BAGAMBA Jean in Marathon (2004).

I am very interested in studying and learning taking photographs through digital and video camera
