

Without Borders Professors

SCIENCES-EDUCATION A KEY TO END DANGEROUS DENDANCY AND MAKE POVERTY A STORY IN DEVELOPING WORLD.

"An Africa without a sustainable, strong knowledge sector of its own will always remain in a dangerously dependent position." - Hans van Ginkel, Rector, and United Nations University

AGE MISSION Professors without Borders Project –Background

AGE MISSION WB-Professors, is one of the fruits of ASASS Burundi, after organizing Global Youth Service Day and United Nations Millennium Campaigns (UNMC) events in Burundi, World Consultation Session, leaders and youth exchange seminars in partnership and close collaboration with Burundian young students, professors, leader of society civil Organisation and volunteers. AGE MISSION Professors without Borders, is linked to A Better Community 4 All (ABC4ALL), UNMC, Global Youth Action Network in collaboration with United Nations Volunteers and in partnership with IWITH FOUNDATION. It is supported by volunteer students in campuses, independent consultants, institutors and professors in various Burundi Universities and worldwide.

About AGE MISSION.

Africa's Generation Education Mission "AGE MISSION CAMPUS" is an ACADEMY FOR AFRICAN EDUCATION AND POLICY ADVENCING FOR ECONOMIC AND SOCIAL DEVELOPMENT. It brings together Campus, Schools, NGOs and professors and institutors' unions in more than to promote **education and learning** services as a basic right by promoting autonomy of local citizen via empowerment and It identifies important development policy questions that are likely to remain relevant over the next 5 to 10 years and that would be amenable to impact evaluations. . It strives to make free of charge, accessible and or not cost service learning for GENERATION, graduated, life long learner in disadvantaged areas. It mobilizes public force to

create the political will for governments and key leaders to fulfill their promises to provide at least a free education for all: PRIMARY, SECONDARY AND COLLEGE AND UNIVERSITY LEVELS.

AGE MISSION endeavours to work in close collaboration around the globe in Sustainable development education Sciences as mean to promote Earth Charter World Initiative and MDGs via decades on Environment, Peace, public health Sciences, economic, political, governance, education, community development, arts, integrated literacy, Micro and macro business and enterprise development, HIV and AIDS education and prevention and care, and refugee training. Projects are designed to contribute to individual growth, as well as to community and national development.

It identifies important development policy questions that are likely to remain relevant over the next 5 to 10 years and that would be amenable to impact evaluations. These enduring questions will set priorities for AGE MISSION'S impact evaluation grant program and help member organizations to cluster impact evaluation work around common themes.

AGE MISSION believes that Education is :

- A universal basic human right
- A key to promote a Better Community for All and self-reliance
- An Universal initiative to exchange experiences between Campus Professors and Lectors who have highest qualification /experiences between developed and developing countries to ensure quality education, research and knowledge transferring into the generation Students
- A core responsibility of the state while train COUNTRY LEADERS
- A component to fight all forms of human injustices.

AGE MISSION professors without borders, was created to initiate lectors, professors, institutors and

students to learn from experiences. It sensitizes, and mobilizes pupils and their resource persons.

AGE MISSION harmonise education, teaching and learning services in the campuses using AGE MISSION web site campus, “web-based” through emails, face-to-face meetings “online/interaction “teachingandlearning” .Enable people based in developing world to be connected to the professors, lectors and tired professionals based in developed world for an experimental e-learning, a model Network/bridge to bring service learning and teaching happy.

Main goal: Make education and services learning accessible and affordable for all for people to become intellectually, economically self-dependent , sustainable and encourage them to take a leadership role to alleviate poverty and social injustices in their communities for today and in the future.

Inspirational testimony and quotes AGE MISSION CAMPUS Burundi

Quotes by a group of Academicians Students from Universities schools of Burundi,

Student’s testimonials; without ACADEMIC Diploma in 10 next years within Africa, life won’t be able possible. To own one’s Degree, bachelor, mater diploma for all people, is a mandatory for “self-sustainable solution.

To teach man to fish is better than giving fishes progressively. I believe HIGHER EDUCATION is to a best domain to promote: -SELF-DEVELOPMENT and AUTONOMY.

- Education still the key, the one wealth we have, affirmative action and a core responsibility as it increase COUNTRY LEADERS.
